Grace,

Here is the original letter sent back in 2008 that advises the commission that Time Warner Telecom of Idaho had changed its name to tw telecom of Idaho. Let me know if you need anything else to update certificate 377 to reflect our name, as it appears it didn't get updated in your system.

With this name change update, then, I assume there is no issue with the broadband tax credit applications?

I've also copied Rick Thayer and between the two of us, we will make sure the contact information for the Level 3 owned companies gets updated. Rick, the system has your phone number as 720-888-2620 (a woman's voice on voicemail) and 317-713-8977 (which is my phone number and that is how Grace reached me). Grace had a hard time tracking someone down. When the annual report is filed, will you verify the contact information?

Re: *Informational Filing Regarding a Name Change of An Authorized  
Telecommunications Provider*

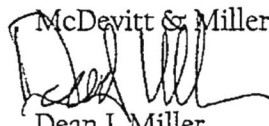

Dear Ms. Jewell:

Time Warner Telecom of Idaho LLC., by its counsel, hereby respectfully advises the Idaho Public Utilities Commission that it changed its name, effective March 12, 2008, to tw telecom of idaho llc. There will be no change in control, operations or management of Time Warner Telecom of Idaho. Time Warner Telecom, now known as tw telecom, will continue to offer the same services at the same rates, terms and conditions as at present.

Customers were provided a written notice of the name change on March 12, 2008. All required documents have been filed with the Secretary of State. We will be filing price lists reflecting our new name on May 15, 2008.

We believe the name change does not require prior Commission approval. Should the Commission believe that any action is required, we respectfully request that the Commission notify the undersigned at its earliest convenience. In the absence of any response from the Commission, we will proceed with our plan to consummate the name change and begin using the name on or before July 1, 2008.

Respectfully submitted,

McDevitt & Miller LLP
